December 5, 2019

Dear Parents, Grandparents and Guardians,

I apologize for the lateness of this letter. It has been a very hectic week at school. As you know, we are preparing for the Christmas Bazaar tomorrow.

*Heavenly Father, I often hear the phrase, "We're only human." We often overlook the fact that to be human is a great blessing. Lord, on this first Sunday of Advent, help us remember that to be human is to love, to forgive, to share, to make peace. Help me, Lord, to embrace the nobility of the human condition, remembering that I am good because I am created in Your image. Amen*

\*\*\*There was a mix-up with hot lunch for Friday. There will be no McGillicuddys tomorrow. Your account will be credited. The only lunch tomorrow is Chik-fil-A. If your child(ren) ordered pizza, please have them bring in a lunch. I am sorry for the confusion.

The Christmas Bazaar is tomorrow for the children. They may dress down in Christmas Clothing. I ask that you make sure that they do not wear anything inappropriate.

Tomorrow is the end of the first trimester. Report cards will be going home on **Friday, December 13<sup>th</sup>**. Please review your child's report card him or her. You have the ability to keep a check on your child(ren)'s grades

Kindergarten conferences will take place on **Friday, December 13<sup>th</sup>**. There is **NO SCHOOL** for Kindergarten students. Teachers have arranged conference times with you. Please be on time. Thank you.

There are some children that are still chronically late. I will be sending home a letter in January to the parents of these children. Lateness disrupts the classroom environment. We are trying to prepare the children for the real world, and you know that when you are working you need to be on time.

If you are using CARES as a drop-in, you need to send the money in that day or pay when you pick up your child. Thank you.

The weather is getting colder and I ask that you make sure your child has the proper clothing. They need coats, hats and gloves. I want them to be warm, as they do go outside unless it is too cold or the weather is not cooperating.

If you call the school and no one answers, please leave us a message. We will get back to you as soon as we can. Somedays, we have a lot activity in the office or children have to be walked down to their classrooms. Your call is very important to us and we will return it promptly. Thank you.

Have a wonderful weekend! God bless you.

Dr. WorriLOW
