Please Note:

- In-Parish Participating status is for registered parishioners of Holy Cross Church who attend Mass regularly and contribute a minimum of \$20 per week in the Sunday Collection. Parishioners are encouraged to use electronic giving for Church support.
- Tuition Payments are calculated on a 10-month scale and run June through March. Tuition is managed and collected via FACTS, which assesses an annual fee to families for the use of their system. Late, missed, or declined payments may be subject to additional administrative fees from Holy Cross and/or FACTS.
- Technology Maintenance Fee is assessed in September and will be collected via FACTS.

**Non-participating families may be eligible for the in-parish rate after six months of regular Mass attendance and financial support to the parish through electronic giving.*
